Reduced rates from all points in Utah are now obtaining on all of the company's interurban lines on account of the state fair and the conference of the Mormon church in Salt Lake. They were placed in effect Saturday and will continue until October 8, inclusive. On October 6 and 7 two special trains will be operated from Preston to Salt Lake, the trains to be run over the line of the Salt Lake & Ogden railway from that point.

A number of people went to Brigham City today over the interurban line to participate in the celebration being held there in connection with the opening of the new sugar factory. The celebration will be concluded this evening with a grand ball at the Brigham dancing academy.

Increased business has made it imperative that the Modern Tire Service shop move into new and larger quarters. Today the company is moving its stock into the new garage recently built by the G. H. Tribe company on Hudson avenue.

The new quarters furnish additional room for the mechanical operations of the company and also more room for the large stock that is carried. Modern equipment is being installed and arrangements made for the best possible service.

Big double attraction today and tomorrow at Utah theatre. Come early and avoid the crowds.

COMPARISON IS MADE BY THE COUNTY BOARD

An effort on the part of the Weber county commissioners to keep taxes in the county at a minimum is seen in a comparative statement of levies in 1915 and 1916, presented at the session today. The matter was brought up in defense of charges from the outside that the commission had been extravagant in handling public funds. W. C. Hunter, chairman of the board, said:

Mr. Hunter stated further that, while with one exception all the items show an increase in the levy, the commission had kept within the law in the matter.

"Other counties in the state," Mr. Hunter said, "took advantage of the opportunity to go to a maximum limit. The Weber county commission kept the levy at a minimum figure."

A decrease of \$34,472.54 is shown in the Weber county levy which is fixed by the commissioners. This levy in 1915 was \$145,441.90. The levy in 1916 is \$110,969.46.

Commenting further on this levy, Mr. Hunter said:

"This saving was effected despite improvements that have been made in the county since the last levy was made."

The figures show the amount of taxes levied by the respective taxing districts as follows:

	1915.	1916.
State and state schools	\$172,375.00	\$200,108.87
Ogden City	185,083.37	212,824.10
Ogden city school district	165,963.19	173,564.28
Weber county school district	62,195.49	72,832.78
Weber county	145,441.90	110,969.46
County roads	43,093.90	45,479.29
County school tax	45,248.50	
	\$819,402.05	\$815,578.78

The commission adopted the recommendation of Harry Hales, the county clerk, that Mrs. Minnie McNitt be appointed registration agent for the Sixteenth district in Ogden in place of Mrs. Rosina N. Bagley, resigned.

In the matter of the petition of Thomas Doxey and others, representing owners of property in Ogden canyon, that a deputy sheriff be appointed to patrol the canyon during the winter months for protection of the property there, the commission decided to instruct Thomas A. DeVine, Weber county sheriff, to send a deputy into the canyon on regular intervals for an inspection of the property.

The commission laid over until the next session the matter of the appointment of judges to serve at the election on November 7.

CANYON LINE IS AGAIN OPENED BY THE O. L. & I. CO.

Traffic was resumed over the Ogden canyon line of the Ogden, Logan & Idaho Railway company at 11:30 o'clock this morning, a car leaving Ogden at that hour, being the first to be operated over the line to Huntsville since the wreck of the sheep train Thursday at midnight, at the first bridge in the canyon.

Workers were engaged all day in the work of placing the bridge and roadbed in a safe condition for regular traffic and extra caution will be taken in the operation of the interurban cars over the danger spot until this condition is assured.

Reduced rates from all points in Utah are now obtaining on all of the company's interurban lines on account of the state fair and the conference of the Mormon church in Salt Lake. F. J. HENDERSHOT HAS BEEN APPOINTED DEPUTY AUDITOR

Frank J. Hendershot has been appointed deputy city auditor by Auditor F. Larson. Mr. Larson will ask city commission to confirm the appointment in a communication to be submitted to the session tonight.

The appointment was made necessary by the resignation of W. G. Adams, who resigned because of ill health.

Mr. Hendershot has been employed as cashier in the city waterworks department for several years, serving under former Mayor A. G. Fell in the administration of Mayor Abbot R. Heywood.

Through an arrangement between the Amalgamated Sugar company and the Utah-Idaho Sugar company for the retirement of C. V. Nibley from the Amalgamated company, the latter company takes over the plant of the Utah-Idaho company at Brigham City. This was the announcement made from the company's offices Saturday.

It is stated that the arrangement was made as the result of stock transfers recently made and that as a result of the exchange the differences existing between the two companies regarding territory have been settled amicably.

The Amalgamated will withdraw from a part of the Idaho territory recently invaded.

Managers of the Ogden play houses have made interesting programs, each day offering new and popular performances. It is said that the lineup for the week's plays excel in many features the plays last week. Following are the program as given from each theatre:

ALHAMBRA.

Today.

Stock attraction at night, "The Traffic."

Tuesday.

Marie Doro in "The Lash." "The Traffic"—stock attraction at night.

Wednesday.

Marie Doro in "The Lash." and Marie Doro in "The Lash."

Thursday and Saturday.

Blanche Sweet in "The Storm."

ORACLE THEATRE.
